We are located at 2350 Lee Street, Wyoming, Michigan on the corner of Lee and Forest Grove, off Byron Center Way and Porter Street between 28th St and Chicago Drive. Be aware that the city just renumbered the buildings so Google Maps and GPS are NOT accurate.

From south or north of Grand Rapids, take US-131 to 28th Street (Exit 81). Turn west (left from the south, right from the north) and go down to Byron Center Way, you'll pass Clyde Park, Michael, and Burlingame Ave on the way. There is a CVS Pharmacy and a Speedway gas station on the corner of Byron Center. Turn right on Byron Center Way and go down five blocks to Lee Street, turn right and its the second building on the right. If you pass a 7-11 you just missed the turn to Lee, we are across the street on the backside of 7-11. **The front door is actually on Forest Grove St- you'll see our sign.**

From Holland and points west, take I-196 east to the second Chicago Drive off-ramp (Exit 72, not Exit 69) and turn right on Chicago Drive. Immediately turn right on Byron Center Way. You'll pass a large park on the right- turn left on the street (Lee Street) after the light at Porter.

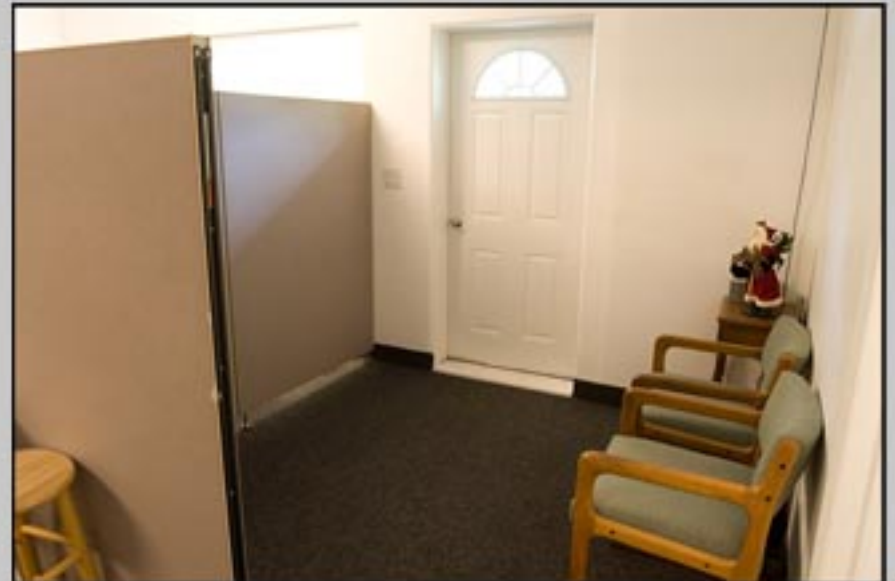

From Lansing and points east, take I-96 to the M-6 connector highway west (Exit 46) then US-131 north to 28th Street.
